Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Saturday 15 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cloudy, with some rain or drizzle overnight. Scattered showers Sunday.

This Evening and Tonight:
Cloud thickening through the evening and overnight, with outbreaks of rain and drizzle expected at times. These mostly light, but perhaps turning prolonged in places. Some hill fog is also likely across the Pennines. Minimum temperature 8 deg C (46 deg F).

Sunday:
Early light rain and hill fog will gradually ease and break to give some brighter spells, but also scattered and occasionally heavy showers. Perhaps staying rather cloudy along coastal parts. Maximum temperature 14 deg C (57 deg F).

Outlook for Monday to Wednesday:
Heavy showers and sunny spells on Monday, sometimes thundery. Sunny spells, and further showers also likely Tuesday and Wednesday, although not as heavy or as frequent as on Monday.
